1. General Information

Below you will find all the information and programs for the 2015/ 2016 hockey season. We will familiarize you with the official program; Jr.'A' Hockey Club/ League GMHL "Alliston Coyotes".

2. League "GMHL"

Jr. 'A' Hockey League GMHL - This Independent Junior League of hockey was created 9 years ago to promote and develop the highest level of hockey for players aged 15 - 21 from all over the world. In the 2015 - 2016 season, the league will contain 22-28 teams from Ontario and Southern Quebec. GMHL seeks and provides the mandatory development of young hockey athletes and devotees to reach the highest levels of hockey in order to have the best chance for success.

2.1 Schedule

The GMHL season begins in September 2015 and will run until the mid of February 2016. Each team in the GMHL league will play at least 42 regular season games plus playoff games, which extend from mid February to April.

3. About our team

The main goal of our team, "Coyotes" is to train and improve the skills of the game of hockey and to promotion our players to a higher level of hockey. Most of our players have the desire to play hockey and study in the best universities and colleges in North America, some are trying to get into the professional teams.

Our goal is always to help our players move to the next level and help them achieve their goals. We also want to give our hockey fans the best young players from around the world.

We believe that we can give all the necessary tools to achieve team goals on the ice and personal goals of each, as well as show their best qualities both on the ice and beyond.

We also contribute to the formation of good health and good physical shape. We do our best to attract players to the surrounding community in a way that would enhance their knowledge and experience outside the hockey rink, as well as provide an environment based on the principles of justice and equality for all.

Our team consists of players aged 15 to 21 years of age with clear goals and objectives both within the game and for life in general. Only athletes with the highest expectations for themselves and desire to achieve higher goals will be considered as members of our team.

Each of our team provides the following players:

- Minimum of 42 regular season games plus play offs
- Games in the evening (showing games on TV and the Internet)
- Evening game-program (ticket sales, attribute)
- Daily training on the ice, dry land and the gym
- A special program of training in the gym, including team and individual lessons
- Regular testing on the ice and off the ice
- One home game per week, 1 or 2 away games in a week
- Team and individual meetings before and after the games, where we view and critique the games and performances of each player
- Comfortable Coach bus accommodations for long away matches (more than 2 hours) as well as food provided after games

Professional Coaching – Jim Aldred

Jim has over 20 years of teaching experience. He's a power skating instructor; an expert in defensive and offensive zone game concepts, team training. An advance systems coach bringing forth excellent bench management skills to the team. He's a successful and positive motivator and communicator with all players with a proven record in assisting hockey players to the next level ie Divison 1 in the USA & Semi-Pro Leagues in Europe. Along with being drafted by Buffalo Sabres (NHL) he played for Kingston Canadiens and Sault Ste. Marie Greyhounds in the O.H.L. for the Rochester Americans A.H.L. for the Toledo God Diggers in the I.H.L. and assisted the Nijmegen Spitman team in winning a championship in Holland.

Training will include but is not limited to:

- Training hockey players on ice and dry land
- Stretching and strength training at the gym
- Direct recording and broadcasting of home games on the Internet
- Agents who viewing our games
- University, College and professional league Scouts attending games
- Team Site dedicated for games and practices
- Special training needed in order to promote our players to all levels

- The ability for players to contribute to improving the lives of the community through various charity events
- Provide the hockey players equipment: training and playing shirts, leggings, a hockey bag, cushioned hockey pants, sports suits, winter jacket, helmet, gloves, sticks and tape
- Special programs for development and to improve the skills before and after season

4. Locations

The City of Barrie, region Simcoe, Ontario.

Barrie - a city in the province of Ontario with a population of about 200,000 people, is located on the shores of Lake Simcoe, at a distance of 80 km from Toronto. The city is famous for music festivals. The Barrie Colts from the OHL, a well know team play and train in Barrie.

The City of Alliston, Ontario

The picturesque town is an hour's drive from Toronto, with a population of about 40,000 people. The city is famous for its potato festival, which takes place annually in mid-August. Team "Coyotes" plays and trains at the new modern arena which has a restaurant overlooking the ice rinks, an indoor soccer field and a gym. This set is perfect for the Junior "A" hockey club.

4.1 Accommodation

All players are billeted with local families. The costs for accommodation and meals are paid directly to the family. Families offer players a clean and healthy environment, food and access to Internet. Players must follow the internal rules and regulations of the family. They are expected to behave with dignity, and not to violate local laws and rules of conduct.

The homes and families for our players are carefully selected. We recommend accommodation for 2-3 members of the team per family, to ensure the best stay for our players.

Throughout the season, the management team regularly visits the homes where the players live. We talk with the families to ensure everything is comfortable.

On winter holidays (Christmas through New Year), which begins about December 22 and lasts until January 3rd, players and teams throughout the league sometimes travel to their homes to celebrate with their families. Others stay with the billet families during this time.

5. Education

We offer a variety of educational programs for players who want to combine classes with hockey training.

I. Canadian Secondary School

Simcoe County School Board (SCDSB) invites students from around the world to take part in the international student program. SCDSB has 15 years of experience in international education. Foreign students will have a positive cultural experience and gain knowledge, confidence and motivation needed to succeed in society. Currently, there are 15 secondary schools participating in the SCDSB international student program.

All schools offer:

- Science and Modern Technology
- Computer and Internet Access
- Library
- Indoor and Outdoor Gym
- Lockers for students

Certificate of Secondary Education Ontario

Out of country students wishing to graduate from high school, should receive a high school diploma Ontario (OSSD). To do this, you must meet the following requirements:

- Complete 30 credits (18 compulsory and 12 optional credits)
- 40 Hours of community service
- Write test - test for literacy (OSSLT).

II. Learning English

We offer training in the training center, located in Barrie ON. This is one of the six centers of learning and continuing education departments of the Simcoe County District School Board. If you are 18 years or older, we offer English language courses to help you achieve your goals. Classes are held Monday through Friday from 9:15 am to 1:30 pm.

III. Education in "Renaissance Academy"

The motto of the Academy - "Education for All". Renaissance Academy believes that everyone has the right to an education, regardless of their skills and abilities, so there is no academy entrance exams. Academy programs can be found at: www.renaissanceacademy.ca

All of the above training is available for a surcharge.

6. Training programs

The team attends two Alliston Coyotes hockey camps:

- Spring program is held from April to June and is designed for players who want to move to higher levels and show off their skills.
- Summer program from July to the first week of September is to prepare the players for the hockey season. Participation can take all players to different levels.

The last 3 weeks of training are required for those who wish to play in Alliston Coyotes (pre-season team fees).

6.1 Spring Camp

Development Program will take place in the sports and entertainment center in Bradford, Ontario from April 7 to June 21 (12 weeks). This program is designed for players who are preparing for a professional career or for the student hockey dreams (University or College).

Players will be housed with families living close to the program and will have daily training (1.5 - 2 hours) on ice with full access to all parts of the entertainment center (gym, sports halls, swimming pool) as well as dry land training in tournaments (the United States and Canada). More information on this program can be found at www.allistoncoyotes.ca

6.2. Summer Camp

Hockey training, skills development and promotion of players is our top priority. During the years of our work, we have developed a professional relationship with many well-known expert junior level hockey (OHL, NCAA), and professional trainers. Many of them we attract to work with our players in their programs.

The summer program will be held in Alliston, Bradford and in the Renaissance Academy in Barrie, Ontario. The program runs from June 29 to September 5 (12 weeks).

Also from 6 to 26 July (3 weeks), we send our guys to a training camp viewing team " Barrie Colts " (OHL), which takes place in the resort of Wasaga Beach. In our summer program Summer Skill Development, players will be able to show the coaches and trainers their best qualities. Also, this gives players the ability to significantly improve on their skating, stick possession, and other hockey skills.

Players will have the opportunity to talk with the coaches on a one-on-one basis and get answers to all of their questions.

Based on their performance during the summer programs, the best players receive invitations to play for Alliston Coyotes.

Daily Schedule

(Subject to change)

7:00 am Rise
7:15 am Breakfast
8:00 am bus to the rink
9:00 am Ice Training
10:30 am Dry Land Training
11:30 am Lunch
