

WHC Philosophy

In our Summer Skill Development and College Showcase, we provide players with the opportunity to show coaches and recruiters their best. With our intense skill development and conditioning program, players will not only have the opportunity to showcase their game skills, but their overall progression during their training. Players will also have the opportunity to speak with coaches and recruiters on a one-on-one basis, both on and off the ice. This gives players unparalleled access to coaches and recruiters who are actively seeking players for their upcoming rosters.

WHC Training

Skill development and conditioning are the essential elements of our training program. Endurance, quickness and agility are all finely tuned on the ice, while weight training, conditioning and off-ice shooting are a part of our dryland training. Off-ice, players will make use of our obstacle course, ball hockey court, outdoor shooting lanes, weight room and spin bikes.

Players receive:

- 1.5 hours of skill development per day
- 1 hour officiated game per day
- 2 hours of dryland training per day

Goalies receive:

- 1 hour of skill development per day
- 1 hour of goalie specific training per day
- 1 hour officiated game per day
- 2 hours of dryland training per day

Additional ice time may be available, and everyone has full access to the WHC training facility.

WHC Staff

Johan Lundskog - Camp Director

Jim Aldred - Head Instructor

- NHL - Buffalo Sabres
- AHL - Rochester Americans
- IHL - Toledo Goaldiggers
- IHL - Flint Generals

- July 25 - July 31
- August 1 - August 7
- August 8 - August 14
- August 15 - August 21
- August 22 - August 28

Testimonial

The World Hockey Centre is the perfect camp for anyone that wants to develop their skills while still being social with other players. The on-ice skill development is set up perfectly. You get to practice what you've learned in game situations every day. After training we also had time to have fun. We would play cards and other games and really had a lot of fun. If you are looking for high level hockey training while still being allowed to have fun, you need to get to the World Hockey Centre. You will leave with a significantly better skill set and memories that will last you a lifetime. I know I did.

- Carl Klingberg,
Atlanta Thrashers NHL
2009 2nd round pick

FACILITY

NHL - style dressing room, approximately 3,000 sq.ft in size, complete with full range of weight training equipment, Spin bikes, large screen Satellite TV system, complete Audio/Video system, and 170 individual player stalls.

Full-length soccer and baseball field, 2 shooting lanes, basketball court, ball hockey court, short-sprint sand-track and obstacle course can be found outside.

Commercial kitchen and cafeteria facilities. Recreational lounges with large screen satellite TV system, Video and DVD systems. Computer and Study Hall classroom with internet access.

Players dorms are located at both ends of the Centre, providing peace and quiet.

Future plans include indoor shooting lanes and an NHL size arena which will be open year round.
