HEALTH INSURANCE WAIVER FORM

Ingle Life and Health has made a health policy available for the players registered with . The policy is available as a group plan and administered by WHC, therefore the cost to yourselves becomes more reasonable. The insurance policy does not cover dental or prescriptions. The coverage is like our Ontario Health Plan, which covers any medical attention necessary as long as it has not been anything from the past.

If you talk with your carrier they will tell you that your son/daughter is covered in Canada. The only problem with this is, in Canada the hospitals will ask for payment, issue you a receipt, then you would submit it to your insurance for reimbursement.

Ingle Life and Health has been providing student insurance for over 50 years. Special arrangements have been made with this carrier to provide hospital and medical coverage for your son/daughter.
